QOG AT THE ALMEDALEN WEEK

On July 2nd, Sören Holmberg, Birgitta Niklasson, and Anders Sundell, all from the QoG institute, gave a presentation at the Almedalen week, where they showed the latest research results from studies on citizens' and local politicians' perception on corruption in Sweden. The Almedalen week is Sweden's biggest political meeting place and takes place in July every year. A description of the seminar is available in Swedish [here](#). More information about the Almedalen week is available [here](#).

We would like to take the opportunity to wish everyone a very nice summer holiday!

Best regards,
The QoG Team
