

QoG NEWS

Dear all,

This is the latest news from the QoG Institute.

Head of the QoG Institute Prof. Bo Rothstein has been awarded an “Advanced Research Grant” from the European Research Council for a project titled “The Performance of Democracies”. The grant is about 2.5 mil. Euro for five years research. Together with additional funding for such grants from University of Gothenburg this will secure the operation of the QoG Institute until 2019.

The full project description is available [here](#)

Best regards,
The QoG Team
