

# QoG NEWS

Dear all,

This is the latest news from the QoG Institute.

A [new version of the QoG Standard Data](#) set is now available on the QoG Data pages. New data from the Institutional Quality Dataset and the Political Terror Scale has been included in the Standard Data set and efforts have been made to improve the range of environment related variables. With this update, the QoG Standard data set includes variables from:

- The IUCN Red List of Threatened Species
- Global Footprint Network
- Environmental Treaties and Resource Indicators
- Natural Resource Management Index
- The Ocean Health Index
- Sea Around Us Project

In addition, corrections have been made of already existing data.

**\*With this we take the opportunity to wish all our subscribers a Merry Christmas and a Happy New Year.\***

Best regards,  
The QoG Team
